LaCie External Hard Drive for Desktop PCs by Neil Poulton *Feel the glow!*

Neil Poulton adds sophisticated style to your desktop yet its presence is quiet and unobtrusive. It has a unique distinguishing feature - a cool, blue LED strip on its underside that creates an ambient glow. Its subtle, all-black design blends perfectly into dark home entertainment setups and workstations.

Home Entertainment

Digital Entertainer Live

EVA2000 **\$212**

Play movies, video, music and photos stored on USB drives, computers or NAS devices. Wirelessly connect to the Internet by using the Digital Entertainer Live Wireless USB Adapter (EVAW111 sold separately). HDMI Output. Easy to use remote control.

Digital Entertainer Elite

EVA9150 **\$820**

Streams HD videos, music, radio and digital photos directly from the unit's built-in 500GB hard drive or from your home PCs and storage devices to your HDTV. Stream video directly from YouTube & Flickr. Ultra-fast 300Mbps Wireless-N, supporting 2.4GHz and 5GHz frequencies. Automatically finds all the digital media files on your home network and organizes them into an easily accessible library.

Alto Cordless Notebook Display

920-000808

\$147

For increased viewing comfort, the Logitech® Alto™ Cordless raises your notebook display—and adds a full-size, cordless keyboard and convenient USB hub.

*Notebook not included.

Harmony One Universal Remote

915-000037

\$385

We know who you are. You have a half-dozen remotes on the coffee table. And you're the only one in the family who knows how to use them. We can help. Enjoy a full-color touch screen. Intuitive button layout. And an ergonomic design. So easy to use, the whole family will love it.

ClearChat Comfort USB Headset

981-000015

\$56

Extend your comfort with a padded headband and ear pads. A rotating, noise-canceling microphone reduces background chatter, and convenient in-line volume and mute controls let you adjust audio on the fly.

QuickCam C250

960-000387

\$74

Video calling made easy. Enjoy vivid, colourful video and photos at resolution of up to 1.3 megapixels. Crystal clear conversations without annoying background noise.

X-230 Speakers

970123-0122

\$96

Crank up the PC audio with Logitech's X-230 speaker system. Its dual driver satellites eliminate uneven response created by conventional dual driver designs using FDD2TM technology. The ported subwoofer features a real-time equalizer that maximizes punch while minimizing distortion. The X-230 speaker system also has convenient volume and subwoofer level controls.

QuickCam Pro for Notebooks

960-000057

\$117

Image-perfect detail and clarity. Enjoy stunning high quality video up to four times sharper and two times smoother than ever before. Images never looked more real, thanks to high definition video and 8-megapixel photos.

New Touch Keyboard 200 USB2 Keyboard

920-000090

\$22

A comfortable, durable keyboard that does it all at a feel-good price. The spill-resistant keyboard is durable enough to take what you can dish out—even if it's your morning coffee. You can type all day without fatigue thanks to the comfortable Zero Degree Tilt™ design.

EX-100 Desktop Cordless Keyboard and Mouse

920-000839

\$59

Go cordless. It's never been so easy and reliable. Saves space without sacrificing a bit of comfort. Features glossy-black highlights that complement any desktop. 1000 dpi cordless optical mouse responds instantly and tracks precisely. And because it's cordless, you'll enjoy greater freedom of movement.

Deluxe 660 Cordless Keyboard and Mouse

920-000492

\$58

The Logitech Deluxe 660 Cordless Desktop is ideal for bundling with any home PC. All keyboard drivers such as the Calculator, Email and Internet hot keys will work out of the box without having to load any additional software. 800 dpi Optical Mouse with 3D Tilt convenience. USB Receiver.

Cordless Desktop LX-310 Laser

920-000227

\$104

Cordless Keyboard & Cordless Laser Mouse. USB RF receiver, Enjoy one-touch access to your favorite digital music, customizable function keys, unmatched precision and control with laser mouse on surfaces where ordinary optical mice can't go.

Cordless Laser Notebook Mouse

910-000840

\$74

Logitech V550 Nano Cordless Laser Mouse. Precise laser tracking and a 12 month battery life make this comfortable wireless mouse ready to follow you anywhere. Includes clip-and-go dock. You just clip your mouse to your notebook and go. The easy-to-attach, easy-to-remove dock is compatible with all laptops.

Bluetooth Cordless Laser Mouse for Notebooks

910-000969

\$74

Logitech V470 Bluetooth Cordless Laser Mouse for Notebooks. Move beyond the touch pad with a comfortable cordless laser mouse for PC or Mac notebooks enabled with Bluetooth® wireless technology. No receiver necessary. Colour Black.

Wave Keyboard

920-000604

\$56

Logitech Wave Corded USB Keyboard. New innovative wave design cradles your hands naturally. Cushioned palm rest for extra support and comfort. Adjustable keyboard height for personalised comfort. Extra large hot keys.
